Re: Agreements in *Le-Vel Brands, LLC v. Natasha Roberson*, Cause No. DC-22-06327.

Dear Bobby:

Per Texas Rule of Civil Procedure 11, this letter documents two agreements:

1. The parties agree to file an agreed motion resetting the temporary injunction hearing and extending the TRO.
2. The parties agree to stay discovery until July 6, 2022. During the stay, the parties cannot serve any additional discovery and all notice of depositions are agreed as withdrawn and otherwise adjourned until such time as agreed upon by the parties. Objections and responses to the June 17 discovery requests will be due July 13, 2022 (seven days after the stay ends).

If this correctly reflects our agreements, please sign below.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Parker Graham'.
